We will no longer include a detailed order of worship in the bulletin, but we will continue to include information regarding the scripture reading and message. This is because the orders of worship for the services in the Sanctuary and ARK are not the same. It is also because it is more cost effective to print the bulletin in this format for both areas of worship.

As we draw close to God in worship, let us also draw close to others in love and friendship. Pray earnestly, sing joyously, listen intently and greet one another sincerely. A special welcome to visitors. Please join us in the fellowship room for refreshments after the morning service. We invite you to inquire about our church's activities and ministries and pick up a gift at the Welcome Center.

Prayer Encouragement Team – There will be a meeting this morning after church in the room by the kitchen. Anybody who is interested in prayer is welcome to come pray with us about the prayer ministry.

If you would like to be on the email prayer chain, please let the office know.

There is a vesper communion service in the council room after the evening worship service.

The Focus meeting has been moved to May 23. Hope to see you all there!!!

Our Prayer Room is available each Sunday before and after the worship services. It is the room immediately located on the east side of the sanctuary. If you would like someone to pray with you, there is always someone in the prayer room after the morning service.

Fifteen Worship Prayer Servant inserts have been placed randomly in today's bulletins. If you receive one, you are invited to pray for today's worship service even as you take part in worship. Included on the insert are prayer suggestions. Thank you for your willingness to participate in this way. God bless you as you worship and pray.
